

Sectionalism

Immigration:

Nativism: prejudice against immigrants (non-natives)

Know-Nothing Party: limit how many immigrants got into USA
Restrict voting rights

The North = Industrial Revolution
Technology = Textile equipment

Urbanization: people left rural areas to large cities for jobs

The South

Technology:
Eli Whitney's Cotton gin

Made cotton "King" More cotton = more slaves
Provided 75% of world's cotton
South boosted North's economy with textiles

The West

Technology: steel plow + reaper

Cash crop: wheat, corn, cattle, hogs
