

# Social Reform

p. 31

## Problem

## Reform

### Slavery

- Only in the South
- Abuse + slave rebellions

**Abolitionism** = free slaves

- WL Garrison = The Liberator (a magazine)
- **Fredrick Douglass** = runaway slave

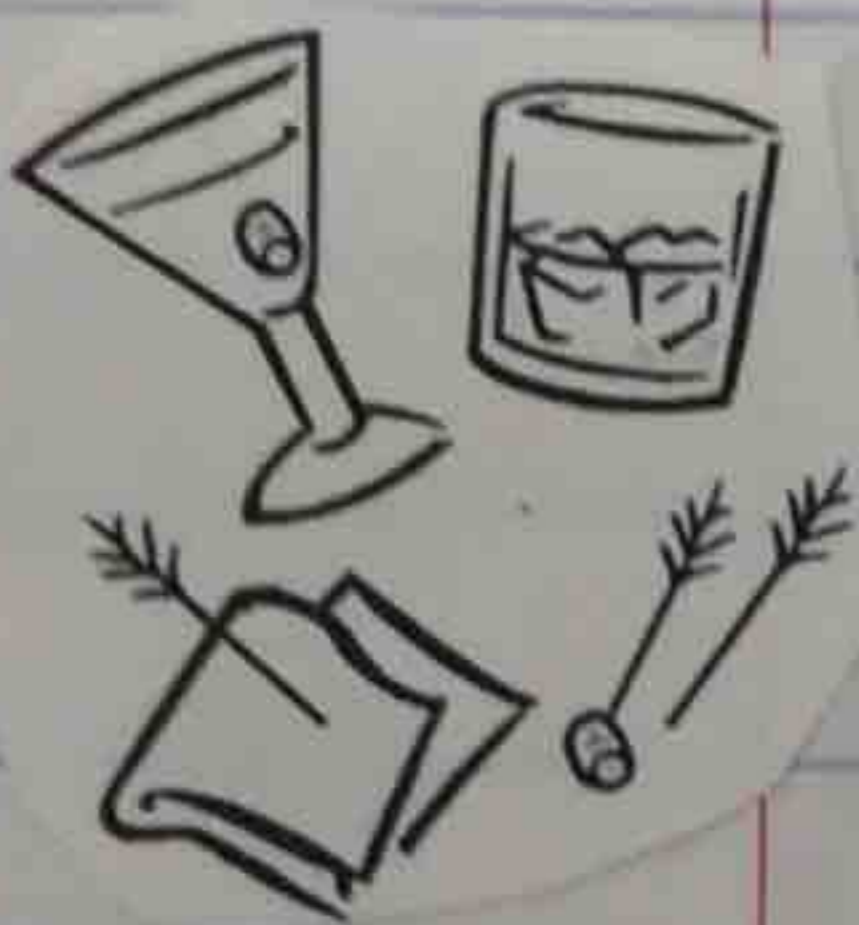

### Low Church Attendance

- increase in crime + low morality

**2<sup>nd</sup> Great Awakening**

- Charles Finney leads revivals
- "Camp Meetings"

### Alcohol Abuse

- Cheap whiskey
- crime, debt, domestic abuse

**Temperance Reform**

- led by women
- pledge to stop drinking

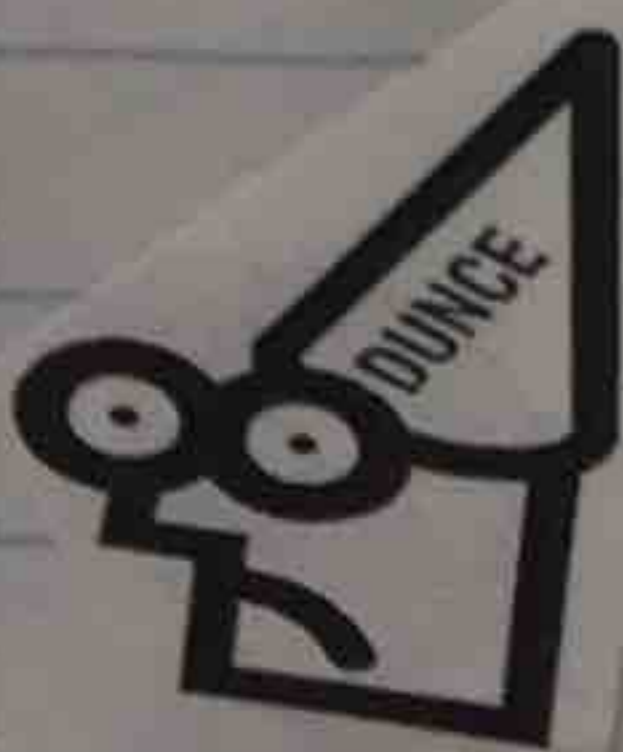

### Women's Rights

- Cult of domesticity = women stay home
- no property rights + no votes

**Elizabeth Cady Stanton**  
**Seneca Falls Convention**

Demanded the right to vote

### No education

- schools not mandatory
- most kids left after 10 years old

**Horace Mann** = support public schools w/ attendance laws
