

Strategies of the North + South

North: Anaconda Plan

- ① Blockade the coast
- ② Seize the Miss. River
- ③ Divide the south
- ④ Take Richmond

South: Offensive Defense

- ① Protect the south
- ② Attack if the opportunity presents itself
- ③ GET HELP (Britain + France)

Lincoln: Washington DC

- ① Suspends Habeas corpus (evidence before being jailed)
- ② Shuts down newspapers (no freedom of press)

Problem for both
Need a conscription (draft) for war

Jefferson Davis: Richmond, VA

- ① States Rights = no taxes, no \$
- ② Printed money to pay for war
- ③ Inflation rate: 7,000%
