

Impact of the New Deal p 78

(3) Political= Government Changes

- Democrats gained support from unions, poor people, immigrants, and African Americans
- Government took responsibility for Americans
- Deficit spending=government went into debt to give welfare

(4) Economic=Money, Given or Protected

- Despite big changes, the Great Depression lingered on
 - AAA, Wagner Act, CCC and WPA
 - Stabilized the banks and stock market
- Farmers, Unions, and unemployed benefited from programs

(2) Social= Supporting People

- New Deal did not support equal pay for women or protect African Americans, but they supported FDR
- Eleanor Roosevelt supported minorities and civil rights
